

Our Policy Regarding Attorney Fees

Our policy regarding attorney fees is as follows:

We charge \$200.00 for the initial consultation unless otherwise agreed in advance. This is a flat fee that remains the same regardless of the length of the consultation. It does not include any services beyond the consultation itself, and is payable by cash, check, Visa or Mastercard at the time of the consultation.

Any services provided beyond the initial consultation, including follow-up telephone advice, review of additional documents, letter writing or other communications with third parties on your behalf will be billed to you at a rate of \$250.00 per hour unless otherwise agreed in advance.

You will be required to sign a written fee agreement and pay a retainer before we will undertake to represent you in any litigation, including administrative hearings, mediation, arbitration or proceedings in any court. The terms of any fee agreement will be discussed with you during the initial consultation. Feel free to ask questions about fees and retainers at any time. Additional information about our fees and fee agreements can be found at www.workrightsaz.com.
